"Inclusion is not bringing people into what already exists; it is making a new space for everyone to belong."

Our Vision

We envision a world where marginalized young people have equal rights and opportunities to reach their full potential.

Our Mission

Through advocacy and capacity-building, we empower young people with and without Albinism to understand their rights and gain the confidence needed for self-integration.

Dear Supporters,

As we stepped into this year, we want to thank you for your incredible support . Your kindness and help have made a big difference in the lives of people with albinism and helped us build more inclusive communities.

We wish you and your family a Happy New Year filled with happiness, peace, and success.

Workshop for Young Girls – International of the Girl Child

In October, we celebrated the International Day of the Girl Child by organizing a workshop for young girls, especially those with albinism. The workshop helped them gain life skills, build self-confidence, and believe in their dreams.

Inclusive Walk/Night

We also held our first Inclusive Night, an event where people with albinism and homeless young stars came together to celebrate diversity. It was a wonderful evening of sharing stories, learning from each other, and appreciating our differences.

Upcoming project

School Outreach Campaign Against Bullying

We plan to visit schools , educate students and teachers about Albinism , talk about bullying, especially the challenges faced by children with albinism., clear up stereotypes, and show them how to support children with this condition.

Your support made all of this possible. Together, we are creating a world where every child, no matter their condition, has the chance to succeeded

Thank you
